Policy Concerning Non-Mission Students:

MATA accepts non-mission students (non-missionary trainees) only on a space available basis to assist missions-bound instructors to build time to reach their goals. Solo use of MATA aircraft by non-mission students is generally limited to those flights necessary to meet specific training goals and must be agreed to by the MATA Executive Director or the MATA Chief Flight Instructor prior to such operation.

Payments:

All students are required to have a refundable \$200 deposit on account at all times during their time of training with MATA. Payments must be made at the completion of each flight/lesson unless paid in advance.
